

## He's Got A Way

Bernadette Peters

he's got a way about him  
I don't know what it is  
But I know that I can't live without him  
he's got a way of pleasin'  
I don't know why it is  
But there doesn't have to be a reason anyway

he's got a smile that heals me  
I don't know what it is  
But I have to laugh when he reveals me  
he's got a way of talkin'  
I don't know why it is  
But it lifts me up when we are walkin' anywhere

he comes to me when I'm feelin' down  
Inspires me without a sound  
he touches me and I get turned around  
he's got a way of showin'  
How I make him feel  
And I find the strength to keep on goin'  
he's got a light around him  
And everywhere he goes  
A million dreams of love surround him everywhere

he comes to me when I'm feelin' down  
Inspires me without a sound  
he touches me  
I get turned around

he's got a smile that heals me  
I don't know why it is  
But I have to laugh when he reveals me  
he's got a way about him  
I don't know what it is  
But I know that I can't live without him anyway
