

Change Your Way Of Living

Bernard Allison

You gotta change your way of livin', I done gotten hip to you
You gotta change your way of livin', I done gotten hip to you
You're just a little to old, I can't tell you what to do

Well I gave you all my money, let you go downtown tonight
Yeah I gave you all my money, let you go downtown tonight
Don't you know now woman, don't you know that just ain't right

Now I ain't gonna take no more, no, no, no, no more
No I ain't gone take no more, no, no, no, no more
If you don't straighten up now woman, I'm gonna have to let you
go

You gotta change your way of livin', I done gotten hip to you
You gotta change your way of livin', I done gotten hip to you
You're just a little to old, I can't tell you what to do
