

## Hail Lucifer

Besatt

I gall my mind  
Thinking about the nazarene  
I bless to someone  
Who put on the thorn  
The hails droved into the palm  
Let burns like a fire  
Due pain and suffering

The blood drips slowly  
From wounds dealt a blow right  
Head fell down  
In deadly paralysis  
Meager picture of god  
Deserves for disdain  
That's why I loudly scream

Jesus I hate you!!!!!!!  
Hail LUCIFER  
HAIL LUCIFER  
HAIL LUCIFER, forever!!!!!!!
