

Wish He Was You

Best Coast

I'm always wakin' up
with somethin' in my head
It's 6 A.M
and I'm in someone elses bed

Oh how I wish he was you
Oh How I wish he was you

I'm tired of my lyin'
tired of my tryin'
tired of you
avoiding me

Oh how I wish he was you
Oh how I wish he was you
I wish he was you

I'm always wakin' up
with somethin' in my head
It's 6 A.M
and I'm in someone elses bed

Oh how I wish he was you
Oh How I wish he was you
I wish he was yooooooooou
