

Broken And Ugly

Beth Hart

Me and my dog really get along
She don't howl when I'm screaming my song
I cuss I drink I lie I spit
Guess I don't really give a shit

Broken and ugly yes I am
Still I feel good diving in
Mama I'm running again odelay

Down in Alabama where I'm wanted in jail
I'm a little nervous in the Bible belt
I'm broke I'm smoked out and passed out on the bar
Then I took all the money and your grandma's car

Broken and ugly yes I am
Still I look good diving in
Mama I'm running again odelay

Do what ya do say what ya say
Don't waste no time on yesterdays
Cash in your ticket to ride
Don't let them talk you into walking
Into no one else's shoes
Don't be no sucker in line

Broken and ugly yes I am
Still I look good diving in
Mama I'm running again
Mama I'm running again
Mama I did it again odelay
