

Spirit Of God

Beth Hart

Springing like a chicken
I wake up in the morning
Cooking up my bacon and bread
Jumping in the shower
Got less than half an hour
To make it to the congregation

I'm going hip shaking down the aisle
Breaking bread with my own special style
I got the spirit of God
I got the spirit of God

Now the preacher's going crazy
He swears he's gonna save me
Stomping devils out on the floor
My soul starts a jumping
I know I'm feeling something
Choir's givin' it up to the Lord

We're going hip shaking down the aisle
Every mother, brother, sister and child
Got the spirit of God
We got the spirit of God

Ain't nothing like a soul celebration
To set your situation right
I'm going more than half way to heaven
Destination straight to the light
I know I'm more than half way to heaven
The lord
I got the spirit of God
I got the spirit of God

Now my mojo ain't been working
I'm broken but I'm learning
To get my strut back up on the street
People call me lazy
Yeah just a little maybe
Jivin' everyone that I meet

But I'm going hip shaking down the aisle
Yeah I do it with my own special style
I got the spirit of God
I got the spirit of God

Ain't nothing like a soul celebration
To set your situation right
I'm going more than half way to heaven
Destination straight to the light
I know I'm more than half way to heaven
The lord
I got the spirit of God
Got me the spirit of God

Alright now alright now show them how to do it

I got the spirit of God: I want to thank you Lord

I got the spirit of God: For giving me the word
I got the spirit of God: I want to thank you Lord
I want to thank you Lord I got to thank you Lord
I got the spirit of God: I want to thank the One
I got the spirit of God: Who gave his only son
I got the spirit of God: I want to thank you Lord
I want to thank you Lord

Ain't nothing like a soul celebration
I made my reservation on time
I'm going more than half way to heaven
Destination straight to the light, the light, light
I know I'm more than half way to heaven
The lord
Gave me the spirit of God
Gave me the spirit of God
Got me the spirit of God
