

Tell Her You Belong To Me

Beth Hart

Tell her you're mine
That you have been blind
Tell her it's over
And you belong to me
Tell me to come
And like hell I will run
Back into your arms
'Cause you belong to me

There's a river on my skin
There's a dragon in the dark
Nothing scares me more
Than the silence of your heart

If you wanna hold me
If you wanna know me again
If you wanna love me
Than take me home
I've been at the bottom
The deep end of the ocean
Barely surviving by the dark side of her street
Tell her you belong to me

She'll never kiss you, the way that I miss you
What kind of lies does she tell you
Inside of The Dark
She'll never win
Cause I'm not giving in
You are my man
You belong to me

If you wanna hold me
If you wanna know me again
If you wanna love me
Just take me home
I've been at the bottom
The deep end of the ocean
Barely surviving by the dark side of her street
Tell her you belong to me

No she'll never win
Cause I'm not giving in
No matter how long
I'll still be hanging on
This kind of love
I'm not giving up
So tell her, tell her
Tell her you were fooling

If you wanna hold me
If you wanna know me again
If you wanna love me
Just take me home
I've been at the bottom
The deep end of the ocean
Barely surviving by the dark side of her street
Tell her you belong to me

Tell her you belong to me
You belong to me
You belong to me
