The Ugliest House On The Block

Beth Hart

If it's not one thing it's another Flies buzzing around big as hawks I'm not just screaming for my supper I live at the ugliest house on the block So what So what

I've been trying to make a little money If you got the honey I got the pot I'm tired hearing you're so lonely I live in the ugliest house on the block Get the hell off my lot Yeah get the hell off my lot Yeah so what

Beating on a dead horse for filler I don't go over well with the live stock These are serious times there are serial killers Next to the ugliest house on the block I heard that they hate my house a lot They say I ain't gotta shot I know I ain't gotta shot

Entertainment's where it's at Reality reruns on crack My own dad could give a crap I'd wear his love if I had a hard hat I would rob, but I hate the cops Sirens roar and guns go pop And Rock 'n Rolls become Hip Hop Oh well So what Yeah so what Oh hell Suck it up So what

I swear to God I'm not a sinner I know God likes me a lot He has saved me in the river So I'll stay in the ugliest house on the block I'll stay in this ugly house til I rot Be glad for what I got

Entertainment's where it's at Reality reruns on crack My own dad could give a crap I'd wear his love if I had a hard hat I would rob but I hate the cops Sirens roar and guns go pop And Rock 'n Roll's become Hip Hop

Oh nana oh nana na oh nana nana oh nana oh nana oh na na na Na na na na

Entertainment's where it's at Reality reruns on crack

My own dad could give a crap I'd wear his love if I had a hard hat I would rob but I hate the cops Sirens roar and guns go pop And Rock 'n Roll's become Hip Hop You can't be something that you're not And when I go lay my head down I want a man to stay around We'll live in this ugly house Oh well So what Yeah so what Oh hell This sucks
