

When The Stars Go Blue

Bethany Joy Lenz

Dancin' where the stars go blue
Dancin' where the evening fell
Dancin' in my wooden shoes
In a wedding gown

Dancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?

Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely, I'll follow you
When the stars go blue
When the stars go blue
Blue

Laughing with your pretty mouth (Laughing with your pretty mouth)
Laughing with your broken eyes (Laughing with your broken eyes)

Laughing with your lover's song
In a lullaby

Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely, I'll follow you

Where do you go when you're lonely
Where do you go where you're blue
Where do you go when you're lonely I'll follow you
Follow you

Yeah yeah, when the stars go blue
when the stars go blue
when the stars go blue
when the stars go blue

Where do you go when you're lonely
Where do you go when the stars go blue
