```
Dancin' where the stars go blue
Dancin' where the evening fell
Dancin' in my wooden shoes
In a wedding gown
Dancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?
Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely, I'll follow you
When the stars go blue
When the stars go blue
Blue
Laughing with your pretty mouth (Laughing with your pretty mout
h)
Laughing with your broken eyes (Laughing with your broken eyes)
Laughing with your lover's song
In a lullaby
Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely, I'll follow you
Where do you go when you're lonely
Where do you go where you're blue
Where do you go when you're lonely I'll follow you
Follow you
Yeah yeah, when the stars go blue
Where do you go when you're lonely
Where do you go when the stars go blue
```
