

I Need You More

Bethel Music

I need You more, more than yesterday
I need You more, more than words can say
I need You more than ever before
I need You, Lord
I need You, Lord

More than the air I breathe
More than the song I sing
More than the next heartbeat
More than anything
And Lord, as time goes by
I'll be by Your side
'Cause I never want to go back to my old life

I need You more, more than yesterday
I need you more, more than words can say
I need You more than ever before
I need You more
I need You, Lord

And more than the air I breathe
More than the song I sing
More than the next heartbeat
More than anything
And Lord, as time goes by
I'll be by Your side
'Cause I never want to go back to my old life

I need You more, more than yesterday
I need you more, more than words can say
I need You more, God, than ever before
I need You more
I need You, Lord

I need You more, God, more than yesterday
I need you more, so much more than words can say
I need You more, God, than ever before
I need You more
I need You, Lord

We give You the highest praise
We give You the highest praise
We give You the highest praise

We give You the highest praise
We give You the highest praise
We give You the highest praise

We give You the highest praise
We give You the highest praise
We give You the highest praise

We give You the highest praise
We give You the highest praise
We give You the highest praise

All our praise, all our love, our adoration, God

We give You all, we give You all, yeah

Oh, more than the air I breathe
More than the song I sing
More than anything
I need You more

More than the air that I breathe
More than any song I could ever sing
Oh, so much more than anything
I need You more

Oh, I'm so hungry for more of Your presence, God
I don't wanna stay where I've been
I don't wanna camp out and just stay in one place, God
I want to run deeper into Your presence, God
'Cause I'm hungry for so much more of You
My heart always follows You
My heart always finds its way home to You
'Cause my heart is pressing in, pressing in to Your voice
And my God, I'm pressing into Your voice tonight
What are You saying? What are You doing?
I just wanna be with You tonight
I just wanna be in Your presence tonight
Oh, Lord Jesus, I need You more
So much more than anything
So much more than everything
You're all I want, You're all I want
Tell Him tonight, tell Him tonight
Sing out your words and let your song say
"You're all that I want, God
You're all that I want, God
You're all that I want, God
I need You more"

More than the air I breathe
More than the songs I sing
More than anything
I need You more, more, more
More than the air I breathe
More than the songs I sing
More than anything
I need You more

More than the air I breathe
More than the song I sing
More than anything
I need You more
More than the air I breathe
More than the song I sing
More than anything
I need You more

Your presence is life to me
Your presence is life to me
It's the air that I breathe
I need You more everyday
Everyday, God
I need more of Your presence everyday
Everyday, God
I need You more

More than the air I breathe

More than the song I sing
More than anything
I need You more
