In Over My Head

Bethel Music

I have come to this place in my life I'm full but I've not satisfied This longing to have more of You And I can feel it my heart is convinced I'm thirsty my soul can't be quenched You already know this but still Come and do whatever You want to

I'm standing knee deep but I'm out where I've never been And I feel You coming and I hear Your voice on the wind

Would you come and tear down the boxes that I have tried to put You in Let love come teach me who You are again Would you take me back to the place where my heart was only abo ut You And all I wanted was just to be with You Come and do whatever You want to

And further and further my heart moves away from the shore Whatever it looks like, whatever may come I am Yours And further and further my heart moves away from the shore Whatever it looks like, whatever may come I am Yours

Then You crash over me and I've lost control but I'm free I'm going under, I'm in over my head Then you crash over me, and that's where You want me to be I'm going under, I'm in over my head Whether I sink, whether I swim It makes no difference when I'm beautifully in over my head Whether I sink, whether I swim It makes no difference when I'm beautifully in over my head I'm Beautifully in over my head I'm Beautifully in over my head
