

# You Don't Miss a Thing

Bethel Music

When You stand  
I feel the floor of Heaven tremble  
As You breathe  
We live and have our being  
When you speak  
Oh I feel it in my chest  
When You sing  
All my fears are put to rest

What a wondrous thing  
I can stand to sing  
Cause when I fall to my knees,  
You're the one who pulls me up again

What a mystery  
That You notice me  
And in a crowd of ten thousand  
You don't miss a thing  
You don't miss a thing

When you sigh  
The wind becomes a sonnet  
When you laugh  
The storm around me ceases  
You whisper  
And all my enemies are scattered  
You surround me  
With angels on assignment

What a wondrous thing  
I can stand to sing  
Cause when I fall to my knees  
You're the one who pulls me up again

What a mystery  
That you notice me  
And in a crowd of ten thousand  
You don't miss a thing  
Cause you see everything

And I have seen  
And I have known  
Of the king of kings  
And lord of lords

There's no place I can go  
Where your love won't find me  
No place I can hide  
That you don't see  
There's no place I can fall  
Where your love couldn't catch me  
You see it all, you see it all  
Through the eyes of love

There's no place I can go  
Where your love won't find me  
No place I can hide

That you can't see  
No place I can fall  
Where your love wouldn't catch me  
You see it all, you see it all  
And you're in everything, you're all around me

There's no place I can go  
Where your love won't find me  
No place I can hide  
That you don't see  
When I misunderstood  
Your love understands me  
You see it all, you see it all  
You're in everything

There's no place I can go  
That you won't find me  
There's no place I can hide  
That you don't see  
No place I could fall  
Your love wouldn't catch me  
You see it all, you see it all  
Through the eyes of love
