

Come and Get These Memories

Bette Midler

Lover you've gone from me
And left behind so many memories
Here's your old friendship ring
I can't wear it no more
Here's your old love letters
I can't read them any more
Lover you've gone from me
And left behind so many memories
Here's that old teddy bear
That you won from me at the state
Here's some old valentine cards
Give it to your new sweetheart
Lover you've gone from me
And left behind so many memories
Come and get em, come and get em
Here's our old favorite record
I can't stand to hear it anymore
Here's some old lingering love
Its in my heart and its tearing it apart
Because of these memories
I never think of anybody but you
So, come on and get 'em
'Cause I found somebody new
Come and get these memories
Since you've gone out of my life
Come and get these memories
Since you've gone out of my life
Come and get these memories
Since you've gone out of my life
Come and get these memories
Since you've gone out of my life
