

# May We Entertain You

**Bette Midler**

May we entertain you?  
May we see you smile?  
I will do some kicks  
I will do some tricks  
(Sing out, Louise, sing out)

I'll tell you a story  
I'll dance when she's done  
    (You're behind, Louise, catch up baby, catch up)  
By the time we're through entertaining you  
You'll have a barrel of fun
