

# I Love You Always Forever

Betty Who

Feels like I'm standing in a timeless dream  
Of light mist, of pale amber rose  
Feels like I'm lost in a deep cloud of heavenly scent  
Touching, discovering you

Those days of warm rains come rushing back to me  
Miles of windless summer night air  
Secret moments shut in the heat of the afternoon  
Out of the stillness, soft spoken words

I love you always, forever  
Near and far, closer together  
Everywhere I will be with you  
Every sin, I will do for you  
I love you always, forever  
Near and far, closer together  
Everywhere I will be with you  
Every sin, I will do for you

You've got the most unbelievable blue eyes I've ever seen  
You've got me almost wilting away  
As we lay there, under a blue sky with pure white stars  
It's all the sweetness, magical time

I love you always, forever  
Near and far, closer together  
Everywhere I will be with you  
Every sin, I will do for you  
I love you always, forever  
Near and far, closer together  
Everywhere I will be with you  
Every sin, I will do for you

Say you'll l-love me forever  
Never stop, never whatever  
Near and far and always  
And everywhere and every  
Say you'll l-love me forever  
Never stop, never whatever  
Near and far and always  
And everywhere and every  
Say you'll l-love me forever  
Never stop, never whatever  
Near and far and always  
And everywhere and every  
Say you'll l-love me forever  
Never stop, never whatever  
Near and far and always  
And everywhere and everything

I love you always, forever  
Near and far, closer together  
Everywhere I will be with you  
Every sin, I will do for you  
I love you always, forever  
Near and far, closer together  
Everywhere I will be with you

Every sin, I will do for you  
I love you always, forever  
Near and far, closer together  
Everywhere I will be with you  
Every sin, I will do for you
