

# Pretend You're Missing Me

Betty Who

Wakin' up in a twin XL  
I got drunk in a cheap hotel  
Now I'm trying not to hate myself  
'Cause I'm missing you're face  
I'm a mess, baby, can't you tell?

I know you're happy, white fence in Pasadena  
I thought we'd get there first  
I see you smile, and it cuts a little deeper  
Is it just me that's hurt?

I'm in the bed, and I'm still sleeping in your t-shirt  
I pretend you're missing me (me)  
I'm not on your mind, but when you hear our song  
At least pretend you're missing me (me)  
At least pretend you're missing me

At least pretend you're missing me (me)

Don't you worry, I'm doing fine  
I found a boy, and I'm getting by  
But I think of you all the time  
And I picture your face  
Anytime that he kisses mine

I know you're happy, I hope that she's a keeper  
Just know I loved you first  
I see you smile, and it keeps on cuttin' deeper  
But it's just me that hurts

I'm in the bed, and I'm still sleeping in your t-shirt  
I pretend you're missing me (me)  
I'm not on your mind, but when you hear our song  
At least pretend you're missing me, me  
At least pretend you're missing me, woah

(Me, me)  
At least pretend you're missing me (me)

And now you're happy, white fence in Pasadena  
I see you smile, and it keeps on cuttin' deeper  
And it's just me that's hurt

I'm in the bed, and I'm still sleeping in your t-shirt  
I pretend you're missing me, me  
I'm not on your mind, but when you hear our song  
At least pretend you're missing me (me)  
At least pretend you're missing me (me)  
(Pretend you're missing me, oh)

(Me)  
At least pretend you're missing me (me)

At least pretend you're missing me
