Beverley Knight

You stand tall while people sway (True to your self) Leave them fakers on the shelf (Heed your calling) Go and do your thing, I make I hear you say... Get up, get up and hold your ground You don't care what goes around Stand up, stand up and hold your ground (stand up) Hold your ground Them no bigger than us No bigger than we No bigger than you No bigger than me Them no bigger than us No bigger than we No bigger than you No bigger than me (hey hey) (Get up! Get up!) Yeah (You gotta gotta!) (Stand up! Stand up) Stand up on me (Get up! Get up!) Alright (You gotta gotta!) (Stand up! Stand up!) Yeah yeah Yeah, yeah, yeah, yeah, yeah, yeah (Ah-ha, ah-ha, ah-ha) (Ah-ha-ah-ha-ah-ha) (Ah-ha, ah-ha) (Ah-ha-ah-ha-ah-ha) Get up and Stand up and Hold it Get up and Stand up and Hold it Feel it! (Don't feel no shame) Let them know you're not the same (Don't feel no way) You stand tall while people sway (True to your self) Leave them fakers on the shelf (Heed your calling) Oh, go and do your thing, I make I hear you s-a-a-a-y...
