

# In Your Shoes

Beverley Knight

What's the sense in all the drama?  
Hate is such a waste of time;  
I just want to live the good life, the good life  
You got your game, I got mine

If I was in your shoes  
I would handle my business  
If I was in your shoes  
Instead of trying to see what mine is  
If I was in your shoes  
Why don't you sleep at night  
Get up and get a life.. Of your own?  
Why don't you...

Get yourself a life and make it work,  
Make it work

Well I heard you got a problem  
And it starts and ends with me..... Well  
I don't think I got the answer, the answer  
I can't stop your jealousy

If I was in your shoes  
I would handle my business  
If I was in your shoes  
Instead of trying to see what mine is  
If I was in your shoes  
Why don't you sleep at night  
Get up and get a life.. Of your own?  
Why don't you...

Get yourself a life and make it work,  
Make it work

I keep it "Superwoman" all the way  
I work for everything I got  
Oh, I'm just striving every day  
And I can't help it if you're not...

If I was in your shoes  
I would handle my business  
If I was in your shoes  
Instead of trying to see what mine is  
If I was in your shoes  
Why don't you sleep at night  
Get up and get a life.. Of your own?  
Why don't you...

Get yourself a life and make it work,  
Make it work
