

The B-Funk

Beverley Knight

Let me introduce you to... B-Funk (do-do-do-do-do)
Let me show you a new school concept of funkina'
It's called the B-Funk
And I am aware
Dawning of a new day in UK flavour
That's on the rise
And I'm inspired by an older generation
Who weren't afraid to give their all and nothing else
I-I-I-I give you... the B-Funk
