

# When You Gonna Learn

Beverley Knight

Have you heard the news today  
People right across the world  
Are pledging they will play the game  
Victims of a modern world  
Circumstance has brought us here  
Armageddon's come too near  
Too too near now  
Now foresight is the only key  
To save our children's destiny  
The consequences are so grave  
So so grave now  
The hypocrites we are their slaves  
So my friend to stop the end  
On each other we depend oh we depend

Mountain high and river deep  
We gotta stop it going on  
We gotta wake this world up from it's sleep  
Oh People, stop it going on

Oh yeah  
Have you heard the news today  
Money's on the menu in my favourite restaurant  
Now don't talk about quantity  
Cause there's no fish left in the sea  
Greedy men been killing all the life there ever was  
So you better play it nature's way  
Or she will take it all away  
And don't try tell me you know more than her about right or wrong  
Oh you've upset the balance man  
Done the only thing you can  
Now my life is in your hands  
In your hands it's in your hands

Mountain high and river deep yes  
We gotta stop it going on  
We gotta wake this world up from it's sleep yeah people  
We gotta stop it going on

Ahahaha yeah

Mountain high and river deep  
We gotta stop it going on  
We gotta wake this world up from it's sleep  
Oh people, we gotta stop it going on  
Oh when you gonna learn stop it going on  
When you gonna learn stop it going on  
When you gonna learn stop it going on  
When you gonna learn stop it going on
