

Infinite in Your Arms

Beware of Darkness

Naked in bed you turned to me
And you said
What's the most important thing
That you learned in life so far?
I said that we accept the love
We think we deserve
And you told me it's everything
To give another one your time

In some endless hour
After midnight
I am finally alive
So hold me, I was born
To be in your arms, ooh

'Cause I am infinite in your arms
I am infinite in your arms

Nobody likes to see the life
Slip-slide away
So pour another cup of tea
Hold my hand and stay with me
Until the future goes away
We don't know what life
Lies beyond this bed
But whatever will come our way
You will always be light

In some endless hour
After midnight
I am finally alive
So hold me, I was born
To be in your arms, ooh

'Cause I am infinite in your arms
I am infinite in your arms
I am infinite in your arms
I am infinite in your arms
I'm infinite in your arms
I'm infinite in your arms
My, my, my, my, my
My, my, my, my day

Maybe it's true
If you are infinite
I can be infinite too
