

Muthafucka

Beware of Darkness

Muthafucka I'm back
From the dead
I'm about to
Raise Hell
Out of my coma
I'm ready to show you
That season of my life
Is done
Muthafucka I'm here
In the now
I'm about to
Zen the fuck out
Oooo
I am spiritual
No longer prisoner
To the skull sized kingdom
Of my mind

Forget who I was
This is who I am
Right now
There is no past me
A new beginning is now now now

Give me your trust
Give me your soul
I want the world to know
I want you to know
That I have changed

There is a season
For every part of life
There is a season
My time is now

I'm back
Muthafucka I'm back

Muthafucka it's time
For this world
To know the gifts
You've had
Since you were born
Let them feel everything
Don't stop at anything
Till everyone on this planet
Knows your name

Forget who I was
This is who I am
Right now
There is no past me
A new beginning is now now now

Give me your trust
Give me your soul
I want the world to know

I want you to know
That I have changed

There is a season
For every part of life
There is a season
My time is now

I'm back
Muthafucka I'm back

I've seen it all
Fought through this life
I want the world to know
I want you to know
That I have changed

There is a season
For every part of life
There is a season
My time is now

I'm back
Muthafucka I'm back
