If I Were A Boy

Beyoncé

```
                Emi C
1. If I were a boy
      G  D
   Even just for a day
   I'd roll out of bed in the morning
   And throw on what I wanted and go
   Drink beer with the guys
   And chase after girls
   I'd kick it with who I wanted
   And I'd never get confronted for it
   Because they'd stick up for me

R: If I were a boy
   I think that I'd understand
   how it feels to love a girl
   I swear I'd be a better man
   I'd listen to her
   cause I know how it hurts
   when you lose the one you wanted
   cause he's taken you for granted
   and everything you had got destroyed!

2. If I were a boy
   I would turn off my phone
   Tell everyone that its broken
   so they think
   that I was sleeping alone
   I'd put myself first
   and make the rules as I go
   cause I know that she'll be faithful
   waiting for me to come home ( to come home)
R:

   C                         G       D
   It's a little too late for you to come back
   Say its just a mistake
   Think I forgive you like that
   If you thought I would wait for you
   You thought wrong

R: But you're just a boy
   You don't understand (and you don't understand)
   How it feels to love a girl
   Someday you'll wish you were a better man
   You don't listen to her
   You don't care how it hurts
   Until you lose the one you wanted
   Cause you taken her for granted
   And everything that you had got destroyed
   But your just a boy…
