

## Fiery Woman

## Beyond Twilight

Flesh to flesh  
Soul to soul  
Deeply bound  
Deaf to all the sound  
Slowly she goes  
To that place  
That allows  
Allows her to be free  
Love so pure it overwhelms me  
I will devour her in our  
Sacred blood  
I will capture her  
Flesh to flesh  
Soul to soul  
Deeply bound  
Darkness in our eyes  
Love so pure it almost overwhelms me
