

# Everything

Bif Naked

my mother gave me one more reason  
not to call you on the phone.  
she told me, "chase girls like that  
all yer life and you'll wind up alone."  
i guess i would just like to take you  
out for a cappuccino,  
you refuse my advances once again,  
i can't hear one more "no!"

i wish you would get over him,  
i'll change yer mind about everything.

when i wink at you, you always  
turn the other cheek,  
i drilled a hole in the girls' showers  
so that at you i could peek,  
i'd love to get you naked and throw you  
in the back of my dad's car,  
i hear that if i get to third base with you,  
it won't be too far!

i wish you would get over him,  
i'll change yer mind about everything!  
as i grow older i feel better  
about me and myself,  
i swear i never, ever once wished  
i was anybody else.  
i'd like to tell you i think you should  
come up and see me sometime,  
i know that i could possibly make it  
the best time of yer life!

i wish you would get over him!  
i'll change yer mind about everything!
