

## My Whole Life

Bif Naked

i don't wanna wait forever  
but you know i would  
you'd better hope i don't say "now or never"  
'cause you know i could.  
my whole life i'm searchin' for  
someone like you  
to take me gently by the hand  
and show me what to do.

my whole life,  
it's not over  
it's my whole life...

if you're gonna say you love me  
then, i love you, too  
i don't wanna hear you tell me "shut up again"  
yeah, i heard you.  
my whole life is flashing  
right before my eyes  
no more fabricated hellos  
and no more sad goodbyes:

my whole life,  
it's not over  
it's my whole life:
