

So Happy I Could Die

Bif Naked

My whole life I was never good enough
For so long nothing could pick me up
It's not fair always running out of luck

But today I decided that's enough
I'm okay now I'm going to take the job
And let go time for me to suck it up

Tonight for the first time in my life
Going to take a chance, going to be alright
I'm so glad to be alive
And tonight is the best night of my life
Got a feeling inside that I can't deny
I'm so glad to be alive
So happy I could die
So happy I could die
Feels nothing like a goodbye
So happy I could die

So here it goes I decided that's enough
And it shows I'm off but iron tough
Now I know time for me to suck it up

Tonight for the first time in my life
Going to take a chance, going to be alright
I'm so glad to be alive
And tonight is the best night of my life
Got a feeling inside that I can't deny
I'm so glad to be alive
So happy I could die
So happy I could die
Feels nothing like a goodbye
So happy I could die

Take a chance, make a plan, not afraid anymore
Standing tall, I won't fall, never been here before
Take a chance, make a plan, not afraid anymore
Standing tall, I won't fall, never been here before

Tonight for the first time in my life
Going to take a chance, going to be alright
I'm so glad to be alive
And tonight is the best night of my life
Got a feeling inside that I can't deny
I'm so glad to be alive
So happy I could die
So happy I could die
Feels nothing like a goodbye
So happy I could die

My whole life I was never good enough [x4]
