Big Audio Dynamite

She won't touch one drop of Scotch  
She loves champagne  
Brandy wine lager and lime  
Nope it's champagne  
Put that gin in the bin  
She wants champagne  
Vodka juice ain't no use  
Champagne

Drinking  
She can drink it in the morning  
She likes it in the morning  
Beat the blues out of bed  
Disturbing  
It's quite disturbing  
To see how much she's absorbing  
But she never has a sore head  
Pleasing  
Mmm sure it's pleasing  
Serve chilled not freezing  
She'll be delighted  
Leaving  
I was thinkin' about leaving  
Before it gets to be evening  
Might stick around instead

She won't touch one drop of Scotch  
She loves champagne  
Brandy wine lager and lime  
Nope it's champagne  
Put that gin in the bin  
She wants champagne  
Vodka juice ain't no use  
Champagne

Smoking  
Standing in the rain smoking  
And my clothes are all soaking  
Saturated  
Joking  
I was hoping she was joking  
When she asked me I was choking  
If I'd be wed  
Coping  
Admirably coping  
At my attempts at groping  
On the bedspread  
Weddings  
All this talk of weddings  
Honeymoons and feather beddings  
Gonna end in bloodshed

She won't touch one drop of Scotch  
She loves champagne  
Brandy wine lager and lime  
Nope it's champagne  
Put that gin in the bin

She wants champagne  
Vodka juice ain't no use  
Champagne!
