Been patient, we both played our part in heart-breakin  
Most time you hurt, more than I, face it  
Took blows to the heart, that's family  
My mother, been 20 years with a hustler  
He always taught, never talk slick  
A woman's place submit to a boss, couldn't take it  
So many nights seein momma on the couch stressin  
She lookin at the clock, it's quarter past 2  
Next day, and still no sign of daddy  
A hustler, always loyal to the customer  
In love with the only example of family  
I wanna say

Daddy said, when you hit 18  
That you will never marry one like me  
But didn't know you fell for a hustler  
Hustle blood all in me, all in me  
But I've been waitin for this day to come

Waitin for the day to come  
Like waitin on the mailman first of the month  
I'm a, straight go-getter, trend setter  
Make her more wetter when a nigga bust  
Dude I keep her soakin wet to the touch (I do)  
No joke, can't stop 'til she get enough  
Like a paper towel, quick to pick her up  
Blow smoke, chop chop, let her hit the blunt nigga what  
Up, up, up and away (and away)  
I ain't fin' to front  
From the jump or the giddy up bruh  
It's plenty pretty bitties in the city I'm from  
And I'm gon' get me just one  
To ride shotgun, do you hear me? Just one, one

Bum bum diddy bum bum, bum bum bum diddy bum bummm

Waiting for this day to come, lady come and give me some  
You know you're my only one, just lay back girl have some fun  
Now come over let me squeeze, you so tightly let me see  
Just what you can do for me, drop down low and shake it please

Nothing in the world can keep us apart  
Like Nettie and Seely from the start  
My blood pumps red, but give me a purple heart  
Instead cause a nigga goes hard  
Kinda like a egg, boilin in a pot of hot water (hot water)  
Or like a Fed with a no-knock warrant  
I want her, so I'm a go and get her, ya hear me?  
We got her surrounded, she gonna give it to me  
Give it up, gift wrap, hands up  
Handcuff with the wrists back, back up (back up)  
The type of chick'll make a nigga act up  
Mask up, get the Cadillac and mash up  
Any, and every

Thing on site like a drop box Chevy

Bum bum diddy bum bum, bum bum bum diddy bum bummm
