

## If We Want To

### Big D And The Kids Table

I could not ever see myself packing up and taking off just to f  
all asleep and work again  
I will not count my sleep hours Let 'em all just have me all gr  
oggy and incoherent I just met a crazy girl who's sane so I'm n  
ot about to leave just yet  
Only an idiot would say "right on I'll see ya" Just to go home  
and think what coulda been.  
We've both finished ripping off all the labels on the pantry ca  
ns  
We've all succeeded hurling the tv still plugged in down the fr  
ont stairs.  
So Why not  
Chorus:  
'cause we can stay if we want to  
She could not ever think of leaving everyone she knows is never  
all in the same place  
The 8 hours she spends hardly working with this she would gladl  
y replace  
All she wants is what we want free time laughing with no design  
ated end  
She told me "I will not be a slave to time, time must learn to  
roll with me" So why not  
Chorus  
'cause we don't care like they do  
It cannot stop too many of us laughing each other on we cannot  
stop we need more trouble before the night is gone  
So why not  
Chorus  
So why not  
Chorus:  
'cause we don't care like they do 'cause I'm not gonna stay as  
long as you do.
