

## Hey Delila

Big Head Todd and the Monsters

Delila got my motor running  
Hotter than a storm on the sun  
I couldn't start the party without her  
Cause she's wilder than the west was won  
Sugar'n'cream in my coffee  
Jelly'n'jam on my toast  
Sprinkle them kisses like the 4th of July  
You are the biscuit that I roll the most  
You are the biscuit that I roll the most

Hey Delila, you really got me living again  
You've got me hanging on every beat of your heart  
Hey Delila, my life is worth living again  
Lead me where you will, 'cause you're the queen of my heart  
You are the queen

Layin' it down out in the alley  
You know she was the very first mother for ya on electric guitar  
She taught the king how to shake and moan  
She even taught the king how to shake and moan  
She even taught the king

Hey Delila, you really got me living again  
You've got me hanging on every beat of your heart  
Hey Delila, my life is worth living again  
Lead me where you will, 'cause you're the queen of my heart  
You are the queen of my heart  
You are the queen of my heart

The devil met me in the morning  
I woke up and she was gone  
I wanna tell the story so the whole world know  
She was wilder than the west was won  
Wilder than the west was won  
Wilder than the west was won

Hey Delila, you really got me living again  
You've got me hanging on every beat of your heart  
Hey Delila, life is worth living again  
Lead me where you will, 'cause you're the queen of my heart  
You are the queen  
Of my crazy mixed-up world  
You're my Memphis Minnie, girl  
You are the queen
