

## I Will Carry

Big Head Todd and the Monsters

I know I might have let you down  
I know it's hard to turn around  
But can't you just take one look at me  
Before you leave me dyin'?  
I know I might have done you wrong  
I might have taken all and left you none  
But do you blame me for living  
Honey nothin' lives forever  
I will carry you

Can you trust can you believe  
Life ain't what it made me to be  
I'm just a little shaken up  
I'm just a little lonely  
When you can't walk when you can't sleep  
'Cause life get hard, things get bleak  
Just come my way knockin'  
Baby I ain't goin' nowhere  
I will carry you

I dreamed once of different streets  
A better place for you and me  
We were laughin' and talkin'  
Sunlight filled the room  
Now when I look behind your eyes  
No my dream it ain't a lie  
Or some story that we heard  
When no one else was listening  
I will carry you
