

Alien She

Bikini Kill

She is me
I am her
She is me
I am her

Siamese twins connected at the cunt
HeartBrainHeartBrainHeartBrainLungGut
I want to kill her
But I'm afraid it might kill me

Feminist
Dyke Whore
I'm so pretty
Alien

She wants me to got to the mall
She wants me
To put the pretty, pretty lipstick on
She wants me to be like her

She wants me to be like her
I want to kill her
But I'm afraid it might kill me
Feminist

Dyke Whore
Pretty, pretty
Alien
And all I really wanted to know

Who was me and who is she
I guess I'll never know
