

Hollywood

Bilal

Off up in Hollywood
Getting lost and turned out
Hollyhood, Hollywood, yeah!
Getting lost and burned out
Hollyhood, Hollywood, yeah!

I just want to rock your world
Give you a whirl
And show you things
I just want to spend some time
And blow your mind
Take a freeze
Feel the breeze

And if you don't like it you can pack your stuff
Catch a trip on a short stick, get your ass on a bus
Can't be feeling like the road is rough
Girl, I thought you said that you was tough
Now I'm calling your bluff
Baby, tell me if you had enough
Look at all those dudes you were screwing and not giving a fuck
Try to escape it, so you take a puff
You'll be on your knees and begging please

Off up in Hollywood
Getting lost and turned out
Hollyhood, Hollywood, yeah!
Getting lost and burned out
Hollyhood, Hollywood

I just want to touch your face
And keep you laced
A secret place
I just want to make you mine
Let's sip some wine
It's never how it seems
Broken dreams

And if you don't like it you can pack your stuff
Catch a trip on a short stick, get your ass on a bus
Can't be feeling like the road is rough
Girl, I thought you said that you was tough
Now I'm calling your bluff
Baby, tell me if you had enough
Look at all those dudes you were screwing and not giving a fuck
Try to escape it, so you take a puff
You'll be on your knees and begging please

Off up in Hollywood
Getting lost and turned out
Hollyhood, Hollywood, yeah!
Getting lost and burned out
Hollyhood, Hollywood
