

## Levels

Bilal

Yeah, I heard this one before  
Darling, are you for sure?  
We play it back and forth  
Beside you're here  
Tell me what the hell we fightin' for?

Now  
How long will you sing?  
We're in the same place  
There's got to be more levels  
In this what we

You know my hands was tied  
And you, you had the right  
Lock me up and throw away the key  
You can't never get enough of me, no

But now  
How long will you sing?  
It won't go away  
There's got to be more levels  
This got to be a sin

If you run away  
Wanna find another way  
But if you wanna leave from here  
Into the paradise

We'll shake off all the problem  
Come on, do that, do  
Let's go higher then, baby  
Let me take you high again  
Let me take you high again

Girl, when you like it  
Play this song, play this song  
Play this song, play this song  
Play this song if you love me

Oh, play this song, play this song  
Play this song if you love me  
Play this song if you love me

Hey, play  
Play this song, play this song  
Play this song if you love me  
Play this song if you love me  
Play this song if you love me

Play this song, play this song  
Play this song, play this song  
Play this song if you love me
