

# Lord Don't Let It

Bilal

It's like my heart won't let it  
Lord don't let it  
Circumstance can't undo this, oh no  
It's got to be  
Heart won't let it go

It's like my heart won't let it  
Lord don't let it  
Circumstance can't undo this, oh no  
It's got to be  
Heart won't let it go

It's been fucking with my lean, babe  
And all too soon  
It's not the way a player's supposed to be  
Can I speak freely?  
I'm sick of playing  
I've had all I can stand  
I'm growing old, older without you  
Girl, how can this be?

It's like my heart won't let it  
Lord don't let it  
Circumstance can't undo this, oh no  
It's got to be  
Heart won't let it go

It's like my heart won't let it  
Lord don't let it  
Circumstance can't undo this, oh no  
It's got to be  
Heart won't let it go

Oh, there's a new man in your life now  
But you're still calling checking on me  
And it's alright  
You say he's just a friend  
And what we had, it will always be  
'Cause you're heart won't let it go  
You just can't let it go  
You just can't let it go  
We just can't let it go  
I can't let you go  
Don't let it go  
I just can't let you  
Ooooooooooh

Just can't let it go  
Can't let it go  
Just can't let it go  
I was wrong to let you go  
Can't let you go  
Hey, I can't let you go  
No I won't let you go  
'Cause I love you, baby  
I love you
