

It's c- it's comin', it's comin'
Yeah
Yeah, yeah
Jungle boogie, baby
Yeah
Jungle boogie, baby
Yeah, come on
Sing it, uh-uh, yeah

Wonder Woman in these eyes
Pimpin' through the lifeline (Reason)
Tryna find a reason why to show ya
That I really, really, really love ya
And I got to you show that I-I-I-I
Ain't got nobody on my mind but you, baby
You got to see through (My love)

My love
Deep as an ocean (Deep as an ocean)
Long as a river (Long as a river)
It will deliver (Way back to you)
Way back to you (My lovin')
My lovin' (I see it formin')
Deep as an ocean (Ocean, yeah)
Long as a river (Way back)
Way back to you (Way back to you)

Don't you see, baby
That there is
A thin line between love and hate
And that's the way I lay
For you, baby
I'd die and rob and steal for you
There won't be nobody
To come between, to c-come on between
And I want
To run back to the river to you
To baptize you with my love
And show you that I mean everything I say, baby
I won't lie to you
I'm-I'm-I'm-I'm on, on, on, on

My love (Way)
Deep as an ocean (Yeah, yeah)
Long as a river (Long as a river)
It will deliver (Way back to you)
Way back to you (My love)
My lovin' (Way back, way back)
Deep as an ocean (Way back, way back)
Long as a river (Way back to you)
Way back to you (Yeah, oh)

Yes, dear
Come on
I deliver, baby, yeah
Deliver
Deliver, yeah

Deliver, yeah
Wanna deliver, baby
Yeah, yeah (Way back to you)
Oh, I got you, ooh-ooh

See, baby, I um
I been eyeing you for a long time, and I think you really understand
That I'm just
So fuckin' in love with you
I just can't verberate that shit into words
You understand me, girl?
I'm just a, ooh
I'm just a pimp, baby, and I
I'm ready to tame my shit for you, girl (Way back to you)
You don't, you don't, you don't, you don't understand me, girl
I wanna take it back (Way back to you, way back to you)
Sing it for me, y'all
Way back to you, yeah (Ah, way back to you)
I'm gon' sing it way back for you, babe (Ah, way back to you)
You don't understand that I would do anything in love, baby (Ah, way back to you)
I'll do anything in love, baby (Ah, way back to you)
Anything you need (Ah, way back to you)
