I reached out my arms and I touched you with soft words I whisp ered your name

I held you right on the tip of my fingers but that was as close as I came

My eyes had a vision of sweet lips yeelding beneath my command I had your love on the tips of my fingers

But I let it slip right through my hands but I let it slip right through my hands

Somebody took you when I wasn't looking and I should have known from the start

It's a long long way from the tip of my fingers

To the love hidden deep in your heart to the love hidden deep in your heart

I had your love on the tips of my fingers

But I let it slip right through my hands but I let it slip right through my hands
