

Cedar, Sweet Grass And Sage

Bill Miller

Cedar, sweet grass, and sage
Only for You,
Cedar, sweet grass and sage
Only for You
All that I have, all that I bring
Here in my heart is everything for You,
Only for You

When the day ends, when the wind dies
One star is shining alone in the sky for You,
Only for You

When I was broken, down on my knees
Where there was aching, now there is peace
From You, only from You.

Cedar, sweet grass, and sage...
