

# Come Go With Me

Bill Monroe

Come go with me to yonder valley  
Where we once stood beneath the tree  
Where we once planned our life together  
I can't forget come go with me

Come let us live some moments over  
Then maybe you won't want to leave  
I love you then and will forever  
I can't forget come go with me

I can't forget the flowers blooming  
The rose that I pick for you  
Time changed you but I'm not changing  
I loved you then and I still do

Come go with me to yonder valley  
Where on the largest of the trees  
I'll carve your name to prove I love you  
I can't forget come go with me

I love you then and I still do
