

# How Will I Explain About You

Bill Monroe

You left me, my darling to travel alone  
My heart is so lonely and blue  
When friends ask about you why you're not around  
How will I explain about you

How will I explain about you  
They know I've been faithful and true  
So when they start asking why you're not around  
How will I explain about you

They saw us together for such a long time  
They knew that I loved you so true  
But now that you've gone and I'm left all alone  
How will I explain about you

How will I explain about you  
I can't let them know that we're through  
They wouldn't believe it could ever be true  
How will I explain about you

How will I explain about you  
I'm leaving it all up to you  
And if you insist that our pathway must part  
How will I explain about you
