I Wonder If You Feel the Way I Do

Bill Monroe

Eight weeks ago, the night we parted It's so hard to realize we're through When we kissed, you said you'll always love me Now I wonder if you feel the way I do

It's just strange to stand the sweetest love Dear, that two people ever knew You told me that I need not worry That forever you'd be true

I can't forget our days together Even though we know they're very few I love you then and will forever Now I wonder if you feel the way I do

It makes no difference where I wander No matter what I say or do
I'll always think of you my darling
And I wonder if you feel the way I do
