

## Lost John

Bill Monroe

Long John walkin' around in the rain  
He's long gone Lost John  
Long gone Lost John  
No hat on his head no shoes on his feet  
He's a beggin the women for his meat  
I had an ol' dog and his name was  
like a rabbit through Bowlin' Green  
Lost John walked around in rain  
Around the corner left him sittin' by the ol' railroad
