

## On And On

Bill Monroe

Traveling down this long lonesome highway  
I'm so lonesome I could cry  
Memories of how we once loved each other  
And now we are saying good-bye.

On and on I'll follow my darling  
And I wonder where she can be  
On and on I'll follow my darling  
And I wonder if she ever thinks of me.

I've cried I've cried for you little darling  
It breaks my heart to hear your name  
My friends they also love you my darling  
And they think that I am to blame.

I have to follow you my darling  
I can't sleep when the sun goes down  
By your side is my destination  
The road is clear and that's where I'm bound.
