

Poison Love

Bill Monroe

For your poison love has stained the life blood in my heart and
soul dear

And I know my life will never be the same

For my pleading has all been in vain for you and you alone dear

And you know that you are guilty of the same

Into each life a love is born for one and one alone dear

The love I chose was surely not for me

For your poison love has stained the life blood in my heart and
soul dear

And I know our love was never meant to be

For your poison love has stained the life blood in my heart and
soul dear

And I know my life will never be the same

For my pleading has all been in vain for you and you alone dear

And you know that you are guilty of the same

But still my heart cries out for you and you alone my darling

It makes me never ever let you go

But my pleading has all been in vain for your and you alone dea
r

And my better judgment tells me to say no

For your poison love has stained the life blood in my heart and
soul dear

And I know my life will never be the same

For my pleading has all been in vain for you and you alone dear

And you know that you are guilty of the same
