Those Memories

Bill Monroe

In dreams of you my body trembles I wake up and call your name But you're not there and I'm so lonely Without your love I'll go insane

Those memories of you still haunt me Every night when I lay down I'll always love you little darling Until the day they lay me down

I close my eyes and you're there with me Your kiss I feel your face I see It's not your lips now that drive me crazy It's just your haunting memory
