If I Didn't Mean You Well

Bill Withers

```
If I didn't mean you well
I'd go and find another place to play
I'd entertain myself a better way
Hey! Hey! Hey! Hey!
If I didn't mean you well

I'm aware you just can't tell
If people really mean the things they say
But I've been lied to, too much in my day
To play games that way
If I didn't mean you well
```
