

# Lost Cause

Billie Eilish

Something's in the

Something's in the air right now  
Like I'm losin' track of time (Time, time)  
Like I don't really care right now  
But maybe, that's fine  
You weren't even there that day  
I was waitin' on you (You)  
I wonder if you were aware that day  
Was the last straw for me and I know

I sent you flowers  
Did you even care?  
You ran to shower  
And left them by the stairs  
Ooh-ooh-ooh, a-a-a-ayy

Thought you had your shit together, but damn, I was wrong (Wrong)  
You ain't nothin' but a lost cause (Cause)  
And this ain't nothin' like it once was (Was)  
I know you think you're such an outlaw  
But you got no job (Job)  
You ain't nothin' but a lost cause (Cause)  
And this ain't nothin' like it once was (Was)  
I know you think you're such an outlaw  
But you got no job

I used to think you were shy (Shy)  
But maybe you just had nothing on your mind  
Maybe you were thinkin' 'bout yourself all the time  
I used to wish you were mine (Mine)  
But that was way before I realized  
Someone like you would always be so easy to find  
(So) So easy (So, so)  
Ea-, mm, mm

Gave me no flowers  
Wish I didn't care  
You'd been gone for hours  
Could be anywhere  
(I, I, I)

Thought you would've grown eventually, but you proved me wrong (Wrong)  
You ain't nothing but a lost cause (Cause)  
And this ain't nothing like it once was (Was)  
I know you think you're such an outlaw (Yeah)  
But you got no job (No job)  
You ain't nothing but a lost cause (Cause)  
And this ain't nothing like it once was (Was)  
I know you think you're such an outlaw (Think you're such an outlaw)  
But you got no job

(What did I tell you?)  
(Don't get complacent)  
(It's time to face it now, na-na, na-na, na-na)  
(What did I tell you?)  
(Don't get complacent)
