

## my future

Billie Eilish

I can't seem to focus  
And you don't seem to notice  
I'm not here  
I'm just a mirror  
You check your complexion  
To find your reflections all alone  
I had to go

Can't you hear me?  
I'm not comin' home  
Do you understand?  
I've changed my plans

'Cause I, I'm in love  
With my future  
Can't wait to meet her  
And I (I), I'm in love  
But not with anybody else  
Just wanna get to know myself

I know supposedly I'm lonely now (Lonely now)  
Know I'm supposed to be unhappy  
Without someone (Someone)  
But aren't I someone? (Aren't I someone? Yeah)  
I'd (I'd) like to be your answer (Be your answer)  
'Cause you're so handsome (You're so handsome)

But I know better  
Than to drive you home  
'Cause you'd invite me in  
And I'd be yours again

But I, I'm in love (Love, love, love, love)  
With my future  
And you don't know her  
And I, I'm in love (Love, love)  
But not with anybody here  
I'll see you in a couple years
